LINKS Summer 2014

Important Registration Information

Dear Parent/Caregiver,

Chisholm Services for Children is pleased to announce that we will be hosting the LINKS Summer program in July and August 2014. We would like to offer you the opportunity to register early and receive a discounted price on our registration fees. Please note that the following registration schedule and fees do not include the initial assessment cost of \$50.00 for first time LINKS students.

We will be holding the LINKS Summer program in two convenient locations in Dartmouth and Bedford. In an effort to keep costs low we use a small group learning method. In the summer we strive for groups of no more than four students to one instructor. The summer sessions run for 1.5 hours per day, Monday through Thursday. Each day includes a large group meeting/reading session and then students will break into their smaller groups for more individualized learning. Each week has a theme and Thursdays usually involve a themed literacy craft or game for the students to play. If you have any questions or concerns about the LINKS Summer Program, please contact Selina at 902 423 0577 or links@chisholm4children.ca.

Only accounts in good financial standing are eligible for pre-registration. e.g. ALL fees owing for previous terms must be paid in full by June 6th to qualify for the Registration Discount. Please call Shawna at 902 423 9871 as soon as possible if you have concerns regarding making payments by the deadlines.

Check	Registration Dates	Description	Cost
